Building Early Learning Places Program

Important information

The Building Early Learning Places Program (the program) aims to increase the accessibility and affordability of quality Early Childhood Education and Care (ECEC) by supporting eligible not-for-profit operators to create additional licensed ECEC places for 0 to 6 years old children in community preschool or long day care settings.

This is a targeted program and only applicants that plan to deliver ECEC places for priority groups as identified in the [Program Guidelines](#) are eligible to apply for the program.

The program will prioritise capital works projects that are shovel ready and applicants must demonstrate that they can commence the build within 12 months of receiving a successful outcome letter.

Application opens: Monday 11 November 2024

Application closes: Sunday 30 March 2025

If you have any questions, please contact us at capital.works@det.nsw.edu.au or by phone on 1800 619 113.

Preparing for your grant application

We strongly encourage you to make use of the support resources available to you to prepare a high-quality application. These include:

Please explain why you are requesting new grant funding: *

The Building Early Learning Places Program does not fund ECEC places already funded by previous Capital Works program (i.e. the ECEC places committed cannot be funded twice).

The department will undertake a due diligence check as part of the assessment process for the program. This may include details about an applicant's past performance, financial viability and reporting on ACNC, and regulatory performance and compliance history related to their provider approval and any associated service approval/s (both current and historical). *

- I consent to the department undertaking these due diligence checks as part of the application process.
 - I consent to the department contacting the Regulatory Authority to obtain relevant information on the approved provider and/or associated services approval as required.
- At least 2 choices must be selected.

Funding Conditions

* indicates a required field

Select the statements below to confirm understanding of conditions and obligations for applicants under the Building Early Learning Places Program who receive a grant: *

- I agree to the requirements outlined in the Building Building Early Learning Places Program guidelines and understand failure to do so may result in funding being withheld or an offer of funding withdrawn.
- I understand the requirement to enter into a Funding Agreement with the Fund Board and understand the Funding Agreement must be signed by an authorised officer of the applicant and returned to the department no later than 4 weeks after receipt.
- I understand the Fund Board will not fund projects that are commenced before the Funding Agreement has been executed and will not fund completed projects.
- I understand the requirement to follow the Funding Acknowledgement Guidelines for NSW Government infrastructure grants, including liaising with the Sector Growth team on events such as openings, and erecting signage for projects.
- I understand that I must commence construction of the capital works project within 12 months of receiving a successful outcome letter.
- I understand the requirement to submit progress reports and any supporting evidence for approval by the department upon completion of agreed milestones and completion of the project.
- I understand that no additional Fund Board funding will be allocated to the proposed project, including where there are cost overruns, and if additional costs arise, they will be met by the applicant.
- I understand that this grant cannot be used to fund the purchase of land, premises, or service delivery costs.
- I understand the service is required to operate, or (where an application for necessary approvals is pending) intend to operate, a centre-based service with a valid service approval as a long day care or community preschool, as stated on the endorsed application.
- I understand the service is required to offer the additional ECEC places for at least ten years from when the project is completed. The places funded by the program must

be available to the community under the nature of care endorsed in the application (i.e. community preschool or long day care) for a minimum ten-year period.

I understand that the capital works project must comply with the requirements of applicable land state laws and local government regulations. The applicant is responsible for ensuring compliance with regulations.

I understand all projects are expected to adhere to relevant building guidelines and regulations. The applicant is responsible for ensuring compliance with regulations.

I understand I am required to contribute a minimum of non- Board contribution according to my provider size, unless exempted, and I understand I must spend all non-Board contribution(s) prior to claiming grant payments.

I confirm I have not already received full financial support from other sources for the capital works project.

At least 14 choices must be selected.

For further information about the Fund, please refer to the [departments website](#).

Stage 1: Non-Priced Assessment (Project Readiness)

* indicates a required field

Project Readiness

The program will prioritise applications that are shovel ready and can demonstrate that they can commence construction within 12 months of receiving a successful outcome letter and complete the project within 24 months of receiving a successful outcome letter.

Please refer to the [Building Early Learning Places Program Guidelines](#) for an estimated outcome notification timeframe.

Access to Land

Do you have access to land for 10-year following the completion of the works? *

- Yes, I own the land
- Yes, I have a current 10-year licence or lease
- Other suitable land or lease arrangements that would meet the ten-year requirement

Please note that the service will need to operate and provide places for 10 years following project completion.

Please provide evidence to demonstrate the land arrangement *

Attach a file:

Evidence could include the Certificate of Title if you own the land, or a current minimum ten-year lease or equivalent.

Please explain your alternative land arrangement or leasing arrangement that would meet the ten year requirement: *

Evidence could include a lease for a shorter term and letter of support from your landlord indicating the likelihood of your lease or arrangement being extended, or evidence that that you are a long-standing tenant.

Do you have support from all stakeholders (i.e. preschool committee, landlord and any other parties including Local Council, Aboriginal Land Council, private lessors) to proceed with the capital works on the site? *

- Yes
 No

Please discuss your plans and compliance obligations related to this grant with your committee, landlord and any other parties prior to submitting an application for funding under the [Building Early Learning Places Program](#).

Please explain any outstanding support required from stakeholders, and/or any concerns raised by any of the stakeholders: *

Please attach evidence if any:

Attach a file:

Evidence may include email correspondence or minutes from discussions/meetings with landlord and other relevant stakeholders.

Please attach evidence of support from relevant stakeholders: *

Attach a file:

Evidence may include preliminary minutes from discussions with your preschool committee or council, letters of support from your landlord. Refer to the [Building Early Learning Places Program Application Guide](#) for further details.

Development Approval and Regulatory Compliance

Please provide the split of licensed places for the service subject to the capital works:

For applicants licensed as a community preschool, please write 0 for places under 0- to 2-year-olds as this will not be applicable to you.

Refer to the [Building Early Learning Places Program Application Guide](#) for guidance on how to calculate your increase in ECEC places.

For Priority group one (undersupplied areas), please refer to the [Program Guidelines](#) to identify the need across age groups for each undersupplied area. Undersupplied areas with need for places for 0-2 year-old children only are expected to propose projects for Long Day Care settings, with a strong proportion of places for this age group.

Financial Readiness

Building Early Learning Places Program - Application Form

Form Preview

Please note that a number of elements are considered when assessing financial readiness for a capital works project, including a detailed budget table, provision of one Quantity Surveyor estimate, two builders quotes and minimum non-Board contribution.

The department will use the financial information provided in your application to calculate the project's cost per place to assess against the priced criteria in stage 2 of the competitive assessment process.

Please refer to the [Building Early Learning Places Program Application Guide](#) for further details.

Project Expenditure

Use the table below to input all your project expenses for the final scope of works, and which source of project income it will use:

Please note:

- All figures must be stated excluding GST. However, GST will be paid to successful applicants that are GST registered, on top of the grant award.
- Total project income should match total project expenditure to demonstrate you have sourced enough funding to cover all project costs.
- Expenditure should account for all expenses that are **eligible** under this program that are associated with the capital works project in its final design. The expenditure table should not include any ineligible items that may be part of the capital works project. However, you will be required to demonstrate you can fund these ineligible items (i.e. therapy rooms, purchase of land) to confirm the financial viability of the project.
- Please refer to the [Building Early Learning Places Program Guidelines](#) to identify which elements can and cannot be funded by this grant, and to the [Building Early Learning Places Program Application Guide](#) for examples.
- You can edit the table to reflect expenses that are relevant to your project.
