### Important information

The Start Strong Capital Works Grant Program aims to improve access to preschool by creating additional community preschool places in areas of need and demand across the state.

The Major Capital Works Fund supports the creation of additional community preschool places through new builds, extensions and renovations of centre-based community preschools in areas of need and demand.

Completing this application means you intend to do one of the following:

1. Build a new centre-based community preschool
2. Extend an existing building to create community preschool places
3. Renovate a building to create community preschool places.

Before you begin, please take the time to review the following guides, which provide examples of the types of information and documents you can include to support your application:

- [Major Capital Works Fund Guidelines](#)
- [Frequently Asked Questions \(FAQs\)](#)
- [Major Capital Works Fund Application Guide](#)

Remember, if you start your application and realise that you do not have all the required evidence or documentation, you can save your application and return to it at a later date in the SmartyGrants portal.

If you have any application questions, please email [capital.works@det.nsw.edu.au](mailto:capital.works@det.nsw.edu.au) or call 1300 755 426 and ask for the Capital Works funding team.

Major capital works projects must be completed and acquitted within 24 months of the funding agreement being executed. Prior to submitting your application, you can speak to the Capital Programs Team in respect to negotiating your timeline. You should provide justification above if you indicate a longer timeframe. If you don't think the project will be able to be delivered in this time, you may wish to apply later.

### 22. Select your current landholding arrangement: \*

- You own the land
- You have a lease or other appropriate arrangement

Applicants need to demonstrate the ability to provide a suitable project site and security instrument valid throughout the 10 year project period. The provision of a security instrument is a precondition for funding and we encourage you to discuss this requirement with all relevant parties prior to submitting your application. Applicants that are invited to Stage 2 will be required to submit evidence in this regard. Refer to the [Security Instrument factsheet](#) for further information.

### Select the option that applies: \*

- I have a lease or license for 10 or more years
- I have a lease or license for less than 10 years
- Other appropriate arrangement

You will be required to provide confirmation that this is in place at ITA stage.

### What is your other arrangement and what is its duration? \*

### 23. Select the statements below to confirm you understand and agree to them: \*

- I confirm that the project has been discussed with all affected stakeholders and partners and that they are supportive of the capital works.
- I confirm that I have discussed the requirement of a security instrument valid for the 10 year project period with all relevant parties.

### 24. Can you confirm there is need and demand in your area that you intend to address with your capital works project? \*

- Yes
- No - you are not eligible to apply for this grant

Applicants that are invited to Stage 2 will be required to submit evidence in this regard.

### 25. Can you confirm your project will result in an increase in licensed preschool places according to NQAITS? \*

- Yes
- No - you are not eligible to apply for this grant category

# Major Capital Fund EOI application form

## Form Preview

NQAITS is the National Quality Agenda IT System available [here](#).

**(Current places) How many licensed preschool places does the service subject to capital works have approval for? \***

This is NOT 600 hour places. This number should be listed on NQAITS as your per day licensed places. This number should be zero for brand new services that are not yet operational.

**(New places) How many licensed preschool places will be created because of this capital works project? \***

Check the [Preschool place regulatory requirements factsheet](#) and the [Major Capital Works Fund Application Guide](#) to accurately calculate this number.

**Expected total places: \***

This number is automatically calculated (= CURRENT PLACES + NEW PLACES). This is the number of licensed community preschool places offered by the service after project completion.

**26. Select the statement below to confirm you understand and agree to it: \***

I confirm that this project will be compliant with all relevant regulations and requirements needed to obtain service approval with the intended increase in licensed preschool places.

Applicants invited to Stage 2 will be required to provide evidence to substantiate how they have calculated the proposed increase in places in line with applicable regulations.

## Accessibility and inclusion

\* indicates a required field

**27. Select the statement below to confirm you understand and agree to it: \***

I confirm that this project will provide and/or improve the provision of a culturally safe, accessible and inclusive educational setting for equity children (Aboriginal and/or Torres Strait Islander children, children with disability and additional needs, and children from low income settings).

Applicants that are issued an Invitation to Apply at Stage 2 of the grant application process will be required to submit evidence in this regard.
